Hi Susan,

I'm in the process of editing the Admin's hearing transcript from his E&C testimony last month and Holly made me aware you might have some input. I've attached a copy we received from the committee with initial edits from OCIR in redline, our changes are not really substantive and mostly grammatical. They have given us a deadline of May 17th to return this so there is a little bit of time for your review. Let me know if you have any questions.
